# Now that you're enrolled, **WHAT'S NEXT?**

Within 24 hours you will receive text or email.

Please complete missing information!

You will then receive text on 2 small deposits made in your bank account.

Verify bank deposits and respond!

3 to 5 days after, our Otter division will call you.

Help to complete your Google menu, and setup your POS, tablet, and **MiraOrdersToGo** account.

3 days later, you will receive email and text to let you know your account is setup.

You will also receive your login and password to app.tryotter.com and you can start managing and fulfilling orders.

4 days after, you will receive any hardware you requested like a tablet.

Turn on your new device, follow instructions to login, and connect to your Wi-Fi.

SYSTEM GOES LIVE!

- You will receive an email asking you if you want to use MiraOrdersToGo menu as your main website.
- Otter representatives will call you to help get you on other 3rd party apps.
- Within 30 days, you will receive an email that your Google menu is Live.
- Within 60 days, your commissions of 3rd party apps will be adjusted and you can see your savings in your MiraOrdersToGo Wallet.
- On the 3rd of every month, you will receive an email of your MiraOrdersToGo Wallet illustrating your sales, savings, and cost.
